

Edgar Leal

Monterrey, N.L., 64700 – edleal98@gmail.com – 011 52 612 169 7095

Professional Profile

I am very passionate about art, especially when it is about the entertainment industry, So I focus my knowledge on the technical parts of music to help artists and businesses to release their projects. I love the idea of learning by doing it myself, so I can easily center my determination to learn something new and adapt according to the presented situation.
